

TRAINING SCHOOL

MODULE I - Flower Biology and Pollination Ecology:

Concepts and practices

Giovanna Aronne, Marta Galloni, Marta Barberis, Massimo Nepi, Daniele Calabrese, Boštjan Surina, Sílvia Castro

1-4 March 2021 (to be held online)

PRELIMINARY SCHEDULE (hours are given in Central European Time)

Day 1:

9:00-12:00 - logistics and presentation (1 slide presentation for both trainers and trainees - slide example to be provided to trainees)

14:00-17:00 - topic 1 Flower design and function (Boštjan Surina)

Day 2:

9:00-12:00 - topic 2 Pollen and stigma biology (Giovanna Aronne)

14:00-17:00 - topic 3 Plant breeding systems and pollen dispersal (Marta Galloni & Marta Barberis)

Day 3:

9:00-12:00 - topic 5 Plant-pollinator interactions (Sílvia Castro)

14:00-17:00 - topic 4 Rewards in flowers (Massimo Nepi & Daniele Calabrese)

Day 4:

9:00-12:00 - topic 6 Plant environment interfaces (Boštjan Surina & Sílvia Castro)

14:00-17:00 - Discussion of student's study systems (@II)
